

Sewing needed

Mornington Peninsula

Boomerang Bags is a community driven initiative tackling plastic pollution at the grassroots level.

All bags are lovingly handcrafted by your local Community.

Many bags are made through community projects and groups as well as inspired individuals and are available for a donation at retail shops.

Your donation goes towards meeting the costs of labels, marketing materials and of course the Boomerang Bags goal to say goodbye to the plastic bag, forever.

Supported by:

Your Community Bank®

Bendigo Bank

Rye Dromana Rosebud

COMMITTED TO A
SUSTAINABLE
PENINSULA

You can help out by:

Donating second-hand materials
linen, fabric offcuts, curtains, thread

Volunteer! We need sewers especially.
And cutting, ironing, screen printing, etc.

Spread the word! talk to your friends,
follow us on Facebook or Instagram

To find out more or get involved please see reverse for details of all BB communities on the Mornington Peninsula.

Sewing bees:
Please register your interest via phone or email.

What else can you do?

1 Use a re-usable coffee cup - take a mug or
buy a reusable cup. You get a discount at
Responsible Cafés.

2 Avoid plastic straws - just sip or use a
bamboo or steel straw. Available in
speciality shops or online.

3 Bring your own water bottle, available
with and without filter. Tap water is
available everywhere for FREE :-)

5 Bring your own containers to shops and
use wax/silicone wraps instead of cling film.
